

SESSION 3 · MONDAY · 6:00 TO 9:00 PT · TOP TO BOTTOM,
ONE STEP AT A TIME

GATE = ask once, say nothing, count four. **POLL** = read the result aloud, take or decline the branch aloud.
CHAT = wait for four lines before moving.

- 6:00 **1** **OPEN. "Canvas and file questions at the break."**
Page open at Core only. Nothing else before step 2.
- 6:03 **2** **TWO CORRECTIONS, with a confidence label each.**
Output tokens cost **5x** input, not 2x. Portability: **Rev. Proc. 2022-32**, five years, not "lost". Watermark: "does not identify an account." Stop there.
- 6:06 **3** **OBJECTIVE. Read "Tonight's one thing" off the page.**
Then: "If you do not run client meetings, read that as your recurring meeting."
- 6:08 **4** **BRIDGE. [CHAT] four letters in order.**
Click the room's order. Key: **C A D B**. Wrong and committed beats right and read.
- 6:14 **5** **[POLL 1] Prompts typed since Session 2 (anonymous).**
Read it aloud. If half or more say none or 1 to 3: **cut §05, give §08 six minutes**. Say which you chose.
- 6:19 **6** **§01/02, 7 min. Case facts open: two sentences on the Coles.**
Map: click "appraised value". **[CHAT]** pair 3, bucket 1, 2 or 3? Answer **2**. Alligator, crocodile. Move on.
- 6:26 **7** **§03 WORKED. [CHAT] D-number that should win.**
Preset 1. Say: **appraisal D3 ranks third at 3.3**; Meg and CPC in no passage. Verdict. Presets 2, 3, 4 fast.
- 6:38 **8** **[POLL 2] or [CHAT] a to d. Click it on §04.**
Answer **(c)**. Read the figures. If 60%+ said (a): two extra minutes on Stanford 17 to 33.
- 6:46 **9** **§05. [CHAT] a, b or c. Click it.**
Answer **(a)**. Read the fine-tuning feedback aloud. **First to drop if late.**
- 6:52 **10** **§06. [CHAT] "the meeting you'll use tonight." [CHAT] stage found last.**
Answer **5**. Click 1 to 5. **GATE at 5: "Who reads this note, and when?"** One sentence: tonight is steps 1, 2 and 7.
- 7:00 **11** **BREAK. [CHAT] "Back at 7:15" in Pacific.**
Checkpoint: past §06? If not: §09 to consent only, reserve to 12 minutes. Take the break yourself.

- 7:15 **12** **§07. [CHAT] turn number a tool drops.**
Answer **2**, the Nathan clause. Open stages 1 to 4. Read the five headings. "Swap the word client."
- 7:24 **13** **§08 WORKED, SILENT. Read the four steps on the page once.**
"Four minutes. Nobody talks. Synthetic only." Say what you will be doing. **Silence 4:00**. Harvest **[CHAT]**. Read two aloud.
- 7:34 **14** **[POLL 3] Why did the appraisal rank third?**
Answer **(b)**, shares almost no words. If 30%+ said (a), out of date: re-run preset 1, read the shared-term line.
- 7:36 **15** **TAB 2: Session 2 page → "+ Standard" → B4. Seven-step sorter.**
Run it, key, two minutes on steps 2 and 4. Step names are not sourced yet: say so. **Checkpoint: done by 8:00.**
- 7:52 **16** **§09. GATE: "Whose consent do you actually need on this call?"**
Item 1 only. **[CHAT]** a, b or c. Reveal: (c) never. The verify block is unsigned: say so.
- 7:57 **17** **[POLL 4A] then §10. [CHAT] line 4, which bucket?**
Answer **3**, Neither. **GATE: "Which of the six is your reading, not their words?"** Key. Say "reverse prompting". **[POLL 4B]** Zero delta is a finding.
- 8:05 **18** **§11. Read the Course rule verbatim. [CHAT] gap number to close first.**
Part 1: seven elements in Session 2 §09; baseline estimated; data note; a classmate runs it cold in Session 4.
- 8:12 **19** **RESERVE, 20 min. "What do you want to see?"**
Start from the §08 harvest chat. If 20 min ahead: C4 at Standard depth. Otherwise nothing new.
- 8:32 **20** **CLOSING CHECK. [CHAT] one step you'd hand to a tool, one you wouldn't, and why.**
"The thing I said we would cover." Read three aloud. Do not skip for questions.
- 8:37 **21** **HOMEWORK, one breath, then stop.**
Part 1 handoff package (the date is in Canvas). AI usage policy, three sources. Read for Session 4: Daly, SEC FY2026 §VII, JoA 2025. **No real client data.**

NOT TONIGHT

- Model tiers, token prices, cost per task
- Fee philosophy, compensation
- Claude for Financial Advisors, connectors
- Watermark beyond one sentence
- Canvas troubleshooting, file formats
- Anything from Session 1 or 4

CHECKPOINTS

- **7:00** past §06
- **8:00** seven-step sorter done
- **8:30** in the reserve, check ahead

NEVER DROP

- §03 preset 1 · §08 silent run · sorter · closing check

DROP ORDER IF LATE

- 1 §05 Tuesday test
- 2 §09 to consent only
- 3 Reserve 20 → 12
- 4 §01/02 to 4 min, skip pair sort
- 5 §10 sorter demo, not run

ANSWERS

- Bridge C A D B
- §02 pair 3 → 2 · §04 (c) · §05 (a)
- §06 stage 5 · §07 turn 2
- §09 item 1 (c) · §10 line 4 → 3

AFTER

- Export transcript, chat, polls in 24 h
